PROFESSIONAL EXPERIENCE

Brainy Commerce

Madrid, Spain

Key Account Manager – Data Analyst Intern

March 2026 – Present

- Built and maintained **Power BI dashboards** to visualize sales, competitive, and advertising data for marketplace clients, enabling data-driven decision-making across account management teams.
- Acted as liaison between **Account Managers and the analytics team**, translating business questions into technical data requirements and structured queries.
- Supported **ad-hoc analysis** of marketplace datasets to surface trends, anomalies, and actionable insights for consulting deliverables; contributed to identifying data gaps and integrating new **API-based data sources**.
- Assisted in the development of internal analytics tools and **data models**, improving coverage and reliability of KPIs tracked across client accounts.

NetJets Europe

Lisbon, Portugal

Business Analyst Intern – Sales & Strategy

July 2024 – October 2024

- Engineered an automated inventory reconciliation pipeline using **SQL**, **Python** and **Tableau**, reducing manual operational load by **25% (10+ hours/week)** and significantly mitigating data integrity risks.
- Identified and quantified **high-impact revenue discrepancies (>\$5M)** through forensic data analysis; diagnosed root causes in contract negotiation workflows.
- Leveraged **SQL** and **Salesforce** for deep-dive analysis on new product launches, presenting actionable recommendations to executive stakeholders.

Happy Code Oriente

Lisbon, Portugal

Programming and Computer Science Instructor

July 2023 – July 2024

- Delivered technical curriculum (**Python**, **Algorithms**) to **50+ students**; translated complex technical concepts for non-technical audiences and designed project-based learning modules.

LEADERSHIP & PROJECTS

NOVAe – Entrepreneurship Hub

Lisbon, Portugal

Co-Founder and Director of Marketing

October 2023 – October 2024

- Co-founded university's **premier entrepreneurship hub**; defined strategic vision, governance structure, and assembled a high-performance founding team of **20+ active members**.
- Spearheaded digital marketing strategy and stakeholder management, securing partnerships with key industry speakers.
